Thanks Sarah...so it appears that the only data currently available is pH?

Sent from mobile device. Apologies for brevity and spelling.

Hi all-

Just got this from our EOC. More data still to come. I'll do my best to get info to you asap.

Thanks

Sarah

**Subject:** Gold King Mine Release - pH data

Folks,

pH data information is posted on the website – [www.epaosc.org/goldkingmine](http://www.epaosc.org/goldkingmine). Click on documents (either at the top of the website or right side of page) and it should be top of the list. More data to come. Thank you, Gina
